From a perusal of the notes in the file leading to the G.O. of 18.7.1922 it is not clear whether the surety is required only in the case of a scholar not previously in Govt. employment But in the case of Mr. Balarajan who is now in America, an agreement alone was taken with no surety. Perhaps in the case of a permanent officer of Govt. who has insured his life in the State Life Insurance, the question of surety may not be insisted upon. Moreover, the officer has already left for England.
